

Golden Rule Warranty Transfer

In the event your business closes, you—as the shop owner, will be held liable for all outstanding warranties issued for the remainder of their term. It is recommended you make arrangements with another ATRA member shop in the area to perform the repair work for your customer's vehicles, to prevent any potential legal action taken by the customer. Complete this form and fax it to ATRA at (805) 604-2003 to ensure your customer's vehicles are repaired as agreed by the ATRA Code of Ethics.

NOTE: A transfer request may only be submitted if the warrantor shop closes or goes out of business.
